Dear Sharon:

Just a note to thank you for your assistance in arranging for Mark Goodman, the instructor, to conduct the L.A. County Food Handler Course, which was held here at Certified Grocers on Tuesday, June 30.

Mark was very knowledgeable and informative, as well as being entertaining while presenting the course data.

Please extend our most appreciative thanks to Mark, and we are sure each attendee gained a volume of new information and procedures to apply while on their jobs.

Thank you again very much.

Sincerely,
