American Food Safety Institute

Hulmeville, Pennsylvania 19047**

Dear David:

Thank you very much for providing the Massachusetts Health Officers Association (MHOA) with eleven (11) Food Manager Certification classes across Massachusetts. The feedback from those who have attended has been very positive.

MHOA appreciates all of the materials and information you provided for these courses. The books and supplementary materials will be of great use to our Food inspectors.

Again, thanks for organizing, conducting and providing materials for this worthwhile program for Massachusetts Public Health Officials.

Sincerely,

**Dawn Carmen Sibor
